

## *PROVENCALE ART CLASS HOLIDAYS – Painting & Drawing at The Orange Tree Galerie in Seillans*

*The Orange Tree Galerie is a well established and successful art gallery situated in the ancient Provençale village of Seillans, South of France. In addition to our regular Contemporary Art Exhibition programme we offer fully inclusive art class holidays based at our home and gallery.*

*Seillans fully merits its coveted title “**Un des plus Beaux Villages de France**” an honour bestowed on only about two hundred villages throughout France. It has a long artistic tradition and was the home and studio of Max Ernst for the last ten years of his life. The region has a rich artistic culture and history and attracted many great artists including Matisse, Miro and Picasso.*

*Course participants will be limited to a maximum of four persons, thereby ensuring utmost personal attention to our clients painting and drawing needs throughout their stay with us. We are operating four short courses, with qualified art teacher, during May and June and two short courses in September.*

*Late Spring and early Autumn are particularly beautiful seasons in this delightful Provençale region.*

*Our purpose in writing is to introduce this stunning region of Provence to the members of your Society and offer them the opportunity to participate in our art focused holiday programme and experience some charming aspects of the Provençale lifestyle.*

*Please let us know if we can help further and we are pleased to enclose some additional information for members who may be interested, or they may visit the gallery website [www.theorangetreegalerie.com](http://www.theorangetreegalerie.com)*

*With Best Regards*
